A Message from Secretary Collin P. O'Mara
Department of Natural Resources and Environmental Control

Delaware stands poised to lead the nation towards clean energy and low-carbon future. The Cool Cities program and the Mayor's Climate Protection Agreement program provide many of the tools necessary to achieve this vision. As stated in their goals, Cool Cities, "not only brings real solutions at location levels, it also showcases solutions for others to model and builds leadership to ensure solutions are implemented at state or provincial levels and nationwide."

I hope that you will consider adopting these measures and join this critical effort to reduce our carbon footprint and grow Delaware's clean energy economy.

Sincerely,

A handwritten signature in blue ink, appearing to read "Collin P. O'Mara".

Collin P. O'Mara
Secretary

Delaware's Good Nature depends on you!
